

Rubric to evaluate sources

- 3- I understand the project and can tell everything about it
My variety of sources really tell about my character's life in medieval times
I incorporated my source information into a cohesive 1st person narrative about my character's life
- 2- I am able to talk about my project
My sources give me most of the details about my character's life in medieval times
I used my sources to write a 1st person narrative that is pretty cohesive and covers most of the details of my character's life
- 1- I know something about the project
I gathered some sources which told some things about my character's life in medieval times
I used my sources to write a 1st person narrative about my character's life
